NEWSLETTER OF THE NORTH CENTRAL PROVINCE

SEPTEMBER 2022, VOLUME 2, ISSUE 1
(Double Issue – Sept. 2021 - Aug. 2022 news)

Province Polemarch's Message

It seems that we are back...to some form of normalcy in our personal, professional, and fraternal lives. Even though the pandemic is not over, and we are still following our COVID protocols, we are getting back to our routines. Like you, I enjoyed

the summer, the cookouts, and the chapter events that had been suspended for the past two years. It was a good time seeing brothers and fraternizing over the summer, and I'm looking forward to strengthening our Bonds of Fraternity as we begin the new fraternal year on October 1st.

In the words of our Grand Polemarch, Reuben A. Shelton III, Esq., "the lifeblood of our Bond is our collegiate brothers." The training, engagement, and contributions of our collegiate brothers are critical to the future success of this beloved Fraternity. That's why I am so proud of all our collegiate members that excelled over the summer holding internships, fellowships, and participating in other leadership opportunities. Specifically, I want to acknowledge the 9 collegiate members from the North Central Province that were selected for the Kappa Klass of the Undergraduate Leadership Institute. This was the largest delegation to represent the NCP ever. During this fraternal year, I am confident that our collegiate members will incorporate the lessons learned on their campuses and in the North Central Province.

As I mentioned, we are back to our routine. So, the C. Rodger Wilson Leadership Conference is at my alma mater, Western Illinois University, hosted by the Zeta Mu Chapter. The CRWLC Committee and the collegiate board members have been working hard over the summer to make sure the programming is informative and engaging.

Please enjoy this issue of the North Central Province Achiever. Your Province Reporter has done an excellent job on this edition.

Yours in the Bond,

Byron C. Thornton

Indianapolis Alumni Chapter Health Inventory Results

The Indianapolis Alumni Chapter's (IAC) Healthy Kappas Committee conducted a health care study for brothers. This initiative was developed to better understand healthcare issues most relevant to IAC members. A health care inventory questionnaire was developed and distributed to brothers inquiring about various aspects of individual and family health diagnoses and concerns. Insights from the study revealed opportunities to increase awareness on decreasing blood pressure, diabetes, mental health, and the importance of annual physicals. The committee will conduct studies annually to assess chapter health status, compare year to year changes, and determine if chapter health initiatives were achieved.

The committee is led by (left to right) Dr. B. Randal Horton, Clinical Psychologist (Behavioral medicine/Substance use and abuse/Addiction/Trauma), Dr. Levi Funchess, Physician (Neonatal/Perinatal medicine), and Jordan Towers, R.N. (ICU/Pulmonary and Cardiac specialty).

The informational and interactive panel discussion included Dr. Virginia Caine (Director of the Marion County Public Health Department), Dr. Eric Yancy (Pediatric Specialist) and IAC Brother Dr. Levi Funches (Neonatologist).

The event was well attended by members in the community and brothers, who came to support this important public health initiative.

New Member Initiation

In Fall 2021, The Chicago Heights Alumni Chapter of Kappa Alpha Psi initiated seven new members into the chapter, the first line since the pandemic started. This achievement would not have been possible without the tireless efforts of our previous administration and Bro. Past Polemarch Reggie Smith. Extreme gratitude to the last administration for maintaining tremendous grit and optimism during these unprecedented times.

Golf Tournament

On June 25th, the Golf Committee persevered through the rain and held the CHAC 10th Annual George C. Cherry Memorial Scholarship Golf Outing. The 50-year Brothers showed up and showed out. It was a superb visual of true brotherhood, fellowship, and public service.

Chapter Invisible

It is with great sadness that we inform you that Bro. Jimmy Couch has made his transition to chapter invisible. Brother Couch was initiated in 1962 into the Alpha Rho Chapter of Kappa Alpha Psi. He was a charter member of Epsilon Omicron. Brother Couch was an avid fisherman. One of his favorite places was Lake Geneva, WI. He would visit every Father's Day and several times throughout the year. Bro. Charles Beard stated that every time brothers saw Bro. Couch, if you say good to see him, he would respond, "It's good to be seen." Bro. Couch leaves behind a son also named Jimmy Couch and his wife. Please keep his family in prayer during this time of bereavement.

The administration, staff, and students at Chicago Heights School District 170's Jefferson School recently welcomed members of the Chicago Heights (IL) Alumni Chapter to help kick off the 2021-22 academic year.

The Men of Kappa Alpha Psi, accompanied by Jefferson School's Principal Chris Baikauskas and Instructional Coach Mrs. Tricia Wells, visited each classroom, and supplied hand sanitizers, disinfectant wipes, books, and book bags to the students. During the visit, the brothers spread cheer, positive comments, and encouragement to the students and staff.

Representing the brotherhood at the activity were Interim Vice Polemarch Dr. Jermaine G. Morales, Social Committee Chairman Justin Copeland, Chapter Historian Ricky Dixon, Keeper of Records Jermaine L. Dickson, Scholarship Chairman Roosevelt Martin, Immediate Past Polemarch Jeff Thomas, and Welfare Committee Chairman Roosevelt Walker.

The men of the Chicago Heights (IL) Alumni Chapter believe that "Giving is not just about donating; it's about making a difference"!

We, the men of Kappa Alpha Psi Fraternity, Inc., Chicago Heights (IL) Alumni Chapter, would like to thank Principal Baikauskas and the entire faculty and staff at Jefferson Elementary School for making us feel welcomed! We sincerely appreciate how they continue to support our chapter's community service efforts.

The fraternity extended its affiliation with Jefferson School, which has included programs and initiatives such as the Guide Right program and Kappa League that promotes the importance of education, positive behaviors, and counseling for students on issues including careers, character development, truancy, positive behavior, academics, financial literacy, and social injustice.

"Jefferson School is delighted and excited to continue our partnership with the Kappa Alpha Psi Fraternity and are most appreciative of their adoption of Jefferson School," Baikauskas stated.

"The support the fraternity provides through its various programs and initiatives have created a nurturing and edifying relationship with our students."

"Beyond its sponsorship of various events, academic programs, and philanthropic endeavors, our students and staff truly regard the members of Kappa Alpha Psi as big brothers and valued members of the Jefferson School family."

Wells echoed Baikauskas' sentiment, saying, "I would like to say thank you to the members of Kappa Alpha Psi Fraternity Incorporated for encouraging our students and distributing hand sanitizer, wipes, and books to our school."

A Kappa man with sons, dream to witness his sons follow in his footsteps and join the greatest fraternity in the land. On April 7, 2022, at the North Central Province Membership Training Academy, Ricardo "Ricky" A. Lewis, Jr. was initiated into Kappa Alpha Psi Fraternity. Ricky joins his father as a member of the Bloomington-Normal Alumni Chapter where Ricardo "Rick" Sr. was initiated on August 13, 1988.

Ricky is currently the audio and technical director for The Chapel, a multi-campus nondenominational church headquartered in Libertyville, IL. He graduated from Greenville University in spring 2018 with a degree in Music Industry Studies where he studied the technical aspects of music production. While at Greenville University, he played bass guitar in a band, drums for his church, and is an avid skateboarder.

He was immersed in Kappa having exposure to the fraternity through Rick's activities in the Bloomington-Normal Alumni Chapter, his uncle Michael Lewis, Mu Iota '83, uncle and Past Province Polemarch Stevenson Nicholson, and the many fraternity brothers in the community. This exposure inspired Ricky to participate in a number of activities serving the local community culminating in participation in a service trip to the Dominican Republic. Upon his graduation from college, Ricky joined his dad on a visit to Nairobi, Kenya in 2018 delivering school supplies, shoes, and clothes to women at a farming village.

Rick Sr. is the retired associate dean of students at Illinois State University where he spent 30 years in administration and many years as chapter advisor to the Kappa Alpha Chapter of Kappa Alpha Psi. Rick has been active in the Bloomington-Normal Alumni Chapter for a number of years and plans to continue serving the chapter in his retirement through his connections and interests in art, golf, and the Senior Kappa Affairs Committee for the Province.

Ricky plans to use his passion for music production, skateboarding, and gaming as a bridge to engaging young boys and mentoring.

Gamma Chapter Alumni and Omega Chapter Alumni

Submitted by Joey Thurman, Iowa City-Cedar Rapids Alumni

The Gamma Chapter, University of Iowa, chartered on March 7, 1914, hosted brothers from neighboring chapters of Omega, Nu Kappa, and Eta gathered on Saturday, March 5, 2022, for a group photo at Kinnick Stadium on the football field recently named after Gamma Chapter 1918 initiate and Pro Football Hall of

Famer Frederick Wayman "Duke" Slater. Bro. Slater was an All-American football player and judge. He was enshrined in the College Football Hall of Fame in 1951 and was named to the Pro Football Hall of Fame's Centennial Class in 2020. When Bro. Duke Slater was a student athlete at Iowa, he was not allowed to live in the dormitories. He had to live off campus in a boarding room. Now, he has a dormitory named after him. He also has the distinction of being the only former Iowa athlete to have a dorm named after him in the history of the University.

Gamma, Omega, Nu Kappa, and Eta Alumni members and current undergraduate members pose for the Duke Slater Field dedication on 3/5/22.

MWAC hosts successful Derby Day Party on May 7, 2022 - by Bond Thomas, Jr., Province Reporter

The brothers of the Maywood-Wheaton Alumni hosted a Kentucky Derby themed day party during the annual "running of the roses," the 148th running of the race. The winner of the Kentucky Derby was the horse Rich Strike.

His trainer is Eric Reed, and the Jockey was S. Leon. At the Derby Party, ladies and gentlemen were dressed in their best Derby Day outfits, with the beautiful summery dresses for the ladies and the fine suits for the men. Of course, every partygoer donned a famous KY derby hat! MWAC raised over \$10,000 for scholarships and there were about 300 tickets sold. The venue was sold out! Congrats MWAC!

Christmas in July Donation Drive-Thru - Aurora, IL Submitted by A.C. Kinard, Polemarch

Congratulations to Aurora Police Officer and Kappa Brother William Whitfield on another successful Christmas in July Donation Drive-Thru held July 16, 2022, at the Aurora Police Department parking lot.

More than a ton of toiletries were donated, and \$5,130 cash was raised to support Mutual Ground, a domestic violence and sexual assault victim's shelter. Maywood-Wheaton Alumni Chapter supported this initiative through financial sponsorship and the donation of much needed toiletry items. Other members of the Divine 9 contributed two (2) large bins of supplies as well. Thanks to all that donated for this great cause. Again, congratulations to Brother William Whitfield and thanks to all that helped to make Christmas in July a success.

Chicago (IL) Alumni

Submitted by Walter Mitchell, Reporter

For the past six years, the members of the Chicago (IL) Alumni Chapter have changed out of their business suits, put on work clothes, rolled up their sleeves, picked up, and bagged litter that had accumulated on the lawns and curbs in the surrounding area of the Edward G. Irvin Foundation Achievement Center. The Nupes demonstrated their commitment to the Woodlawn Community and in particular, our neighbors - many who are senior citizens - by volunteering in conjunction with the City of Chicago's citywide Clean and Green community service project. Hats off to every CAC Member and volunteer that chose to work instead of cooling out and relaxing on a "perfect weather" day.

Special thanks to Brother Alex Blumenberg for serving as the Grill Master as he prepared perfectly seasoned and cooked chicken and brats. After the work was done, Nupes enjoyed food, cool beverages, and great fellowship. Special thanks to the many Kappa Phi brothers including the Kappa Phi neophyte Danny who answered the call, put in major work, and helped make the day a success. An older woman who saw the group comprised of Kappas and volunteers was so delighted that she brought out cold water and soda! She tearfully exclaimed, "I know about the Kappas; I am so grateful. I wanted to get out there, but I just got out of the hospital, so I am physically not able to do it." For me, as Chairman of the Chapter's annual Clean and Green community service project, that senior citizen's sincere gratitude for our hard work that day made it all worthwhile!

Chicago Alumni hosts Derby Day Party

On May 7, 2022, the men of the Chicago (IL) Alumni Chapter of Kappa Alpha Psi embarked on the 1st annual Windy City Derby event. This event was a partnership endeavor with the ladies of the Chicago Metropolitan Alumnae Chapter of Delta Sigma Theta Sorority. The venue was the upscale rooftop bar VU, directly across from Wintrust Arena - home of the world champion Chicago Sky Basketball Team.

The Windy City Derby, a joint event by the men of the Chicago (IL) Alumni Chapter of Kappa Alpha Psi and the women of Chicago Metropolitan Alumnae Chapter of Delta Sigma Theta, was a huge success, and the weather was absolutely perfect. Over 450 tickets were sold in less than 20 minutes, including VIP packages. Attendees were able to wear their best Kentucky Derby attire while sipping on Mint Juleps and listening to the live band and DJ. Race cards were sold, and other games were available for the guests. Great food was served, and there was even a best-dressed contest for the men and women. A 360-degree photo booth was also available to take live action videos. Four months of challenging planning, budgeting, and marketing activities culminated in a great event. The committees on both sides worked extremely hard. We are all looking forward to putting on an even bigger and better event next year!

Nupes: Harvey-Markham (IL) Alumni

Sigmas: Iota Phi Sigma Alumni of Phi Beta Sigma Fraternity, Inc.

On Sunday, August 28, 2022, at Jackie Robinson Park, Chicago, IL, Nupes and Sigmas from all different Alumni Chapters and Undergraduate Chapters came to play, fellowship, and support this event. The teams played two games which were both won by the Nupes. Both organizations grilled and fed everyone who came out to watch the game and to fellowship. Great sportsmanship and brotherhood were on display, and everyone enjoyed seeing these two Black Greek Lettered Organizations team up to host the event. Many ideas or partnerships came out of this event, and it is already scheduled for next year.

East St. Louis (IL) Alumni

Submitted by Darren Adams, Sr. Province Vice Polemarch

On August 15, 2022, East St. Louis (IL) Alumni Polemarch Earl McDowell, Jr. reported that the East St. Louis Alumni Chapter and the KAPAL Foundation, Inc., non-profit foundational entity of the chapter, are the proud recipients of a \$15,000.00 grant from the Obama Foundation through its My Brother's Keeper Alliance initiative. The fund will be used to help establish a computer lab within the chapter's facility for the youth. The grant was awarded because of the impact of the chapter's Guide Right teen mentoring program, led by Guide Right Chairman Darron Suggs, Co-Chairman Michael Sims, and the rest of the hard-working Guide Right Committee. The East St. Louis Nupes are here to serve.

Province Parliamentarian Article

Parliamentary Boot Camp

Issue #2 - Rules of Engagement

In 1911, the Founders of Kappa Alpha Psi chose **Robert's Rules of Order** which introduced standards of operations that discouraged individual decisions on how to conduct business and encouraged collective cooperation to resolve issues during local, provincial, or Grand Chapter Sessions. In order for the now 12th Edition of Robert's Rules of Order, Newly Revised (RONR) to be properly used, every participating brother should understand its

basic fundamentals which are founded in fairness and justice.

In Kappa, there are eleven recognized fundamentals of basic and fair Parliamentary Law:

1. The organization is paramount. It holds the power. Its intent and conveniences supersede any individual member.
2. One proposal or issue before the assembly at a time.
3. Full discussion before action is decided and executed.
4. Keep all debates impersonal as well as logical. A brother is never to be called "out of order." His formal proposal or his actions may be ruled by the Chairman as inappropriate, illegal, or out of order but in Kappa Alpha Psi, brothers show respect for each other on and off the Floor of the Assembly regardless of if different points of view are held.
5. Matters affecting the privileges or emergency needs of the assembly or that of an individual member can interrupt business.
6. Once a **"Motion to Suspend"** is introduced on the Floor, there can be no discussion from the Floor for suspensions or necessary interruptions of business.
7. Motions proposing the suspension of the rules may not be debated.
8. An issue or proposal may not be introduced a second time in the same form at the same meeting unless there is a motion introduced to **"reconsider actions already taken."**
9. The majority decides, usually. The Body decides all issues. However, it requires more than a majority to limit a member's parliamentary rights to introduce, discuss, vote, suspend or modify without prior notice.
10. A two-thirds (2/3rds) majority vote is required for extraordinary issues before the assembly such as amending the bylaws or to change or appeal without notice a motion previously adopted, suspending the rules, or restricting the rights of members.
11. Silence indicates consent and agreement. A decision not to vote **is a vote** for the prevailing side.

Answer to previous question published in *The Achiever*: What are the Laws that Kappa Alpha Psi has adopted to establish the organization's basic structure and manner of operation?

Answer:

1. Corporate Charter
2. Constitution and Statues
3. Separate Bylaws for each Province

4. Parliamentary Rules of Order (RONR 12th Ed.)
5. Standing Rules of Order
6. Customs

Look for a more detailed examination of these laws in future columns.
